Vancouver Board of Trade: Sounding Board section **Spirit of Giving**

Bel Art Gallery Inc. proudly announces a Christmas Raffle to benefit **InspireHealth**, Canada's first and foremost integrated cancer care centre.

Tickets for Bel Art's fundraising event will be sold throughout the month of November for a **minimum donation of only \$5!**

Beatrice Schreiber, co-owner of Bel Art Gallery in North Vancouver, B.C., was diagnosed with cancer in 2009 and started her "journey" at **InspireHealth** last year.

"It was a gift from heaven to receive the chance to learn and participate in the **InspireLife** program. Today, I am very thankful to have acquired tools to improve my health and found new

ways to enhance my healing. I am much more balanced after attending InspireHealth's programs and have increased the strength to help with my recovery. The essential benefits I have gained have been such a blessing and everyone who works there contributes to a healing environment which is unlike any other clinic."

To honor this positive life experience Beatrice and Stefan Schreiber, who successfully established Bel Art Gallery Inc. 20 years ago, will be donating:

- an original artwork by Vancouver artist FRIEDRICH PETER
- signed art prints by KATHIA BERGER
- Vancouver Canucks hockey tickets
- assortment of crafts and gifts

Total value of prizes is approx. \$1500.

Tickets will be sold for a minimum donation of \$5 each and 100% of all the proceeds go towards InspireHealth. The final draw will be held at InspireHealth on December 2, 2010.

The main prize, the original artwork by FRIEDRICH PETER, will be on display at InspireHealth's library throughout the month of November 2010 .
